

MACRA in 2018

Program Modifications and Determining Reimbursement Exposure

WEBINAR SESSION

Wednesday, May 9, 2018 | 11:00 AM – 12:00 PM EST

PROGRAM OVERVIEW AND AGENDA

CMS recently reinforced that MACRA programs are here to stay, and we are now well into Q2 of the 2018 CMS performance year. Whether hospitals and their eligible clinicians are ready for it or not, MACRA will impact operations and bottom line.

Join experts from SpectraMedix, selected by NJHA Healthcare Business Solutions as its MACRA solution partner, in helping members navigate:

- Key 2018 MACRA components and challenges
- Modifications to MACRA from the recent passing of the Bipartisan Budget Act of 2018
- MIPS and APM reporting for hospital-based eligible clinicians
- How to determine MIPS Medicare reimbursement financial exposure
- Reputational risk resulting from publicly-released scores
- How the SpectraMedix *eMeasures360™* Platform enables providers to successfully implement MACRA

WHO SHOULD ATTEND

CIOs, CMIOs, CFOs, Quality/Risk Leaders and Managers, HIM Directors and Managers, Informaticists.

FACULTY

RAJ LAKHANPAL, MD, CEO, *SpectraMedix*; MARC BRYANT, Director of Sales, *SpectraMedix*.

REGISTRATION

This program is complimentary as a SpectraMedix product overview will follow the educational portion of the program.

Registration is required. Click here to register:
